A POWER ONE FEDERAL CREDIT UNION PUBLICATION

Spring Issue 2025

Volume 25 Issue 1

As we enter into the Spring season, we are reminded that this is the time of the year for new beginnings and new growth. At Power One Federal Credit Union, we are excited to support you, our members, on your financial journey as the new year blossoms. We are thankful for the trust that you place in us every day! In the spirit of new beginnings, I would like to take this time to introduce the new management team at Power One Federal Credit Union.

My name is Kevin Turnbow, I serve as President/CEO of Power One FCU. I come to the credit union with 25 years experience in the credit union industry. I have been a credit union member since birth, and strongly believe in the cooperative spirit of credit unions. I will be working closely with the Board of Directors to lead Power One as we navigate today's changing financial landscape. Tameka Garmon, VP of Operations, will be focusing on our front-end operations at all three branches. She will bring our member service up to the standard that our membership deserves. Brett Cain, Director of Lending, will be serving our members in all of their lending needs. Our members know and trust that Brett will guide them expertly and fairly on their loan journey. Thank you for being a part of the Power One Credit Union family. We look forward to serving you!

Warm Regards,

Kevin Turnbow  
President/CEO
